

# A38 Lichfield to Toyota Island weekly e-bulletin w/c 14 November 2022

Welcome to this week's traffic management bulletin for the package of work that National Highways is delivering on the A38 between Lichfield and Toyota Island in Derby.

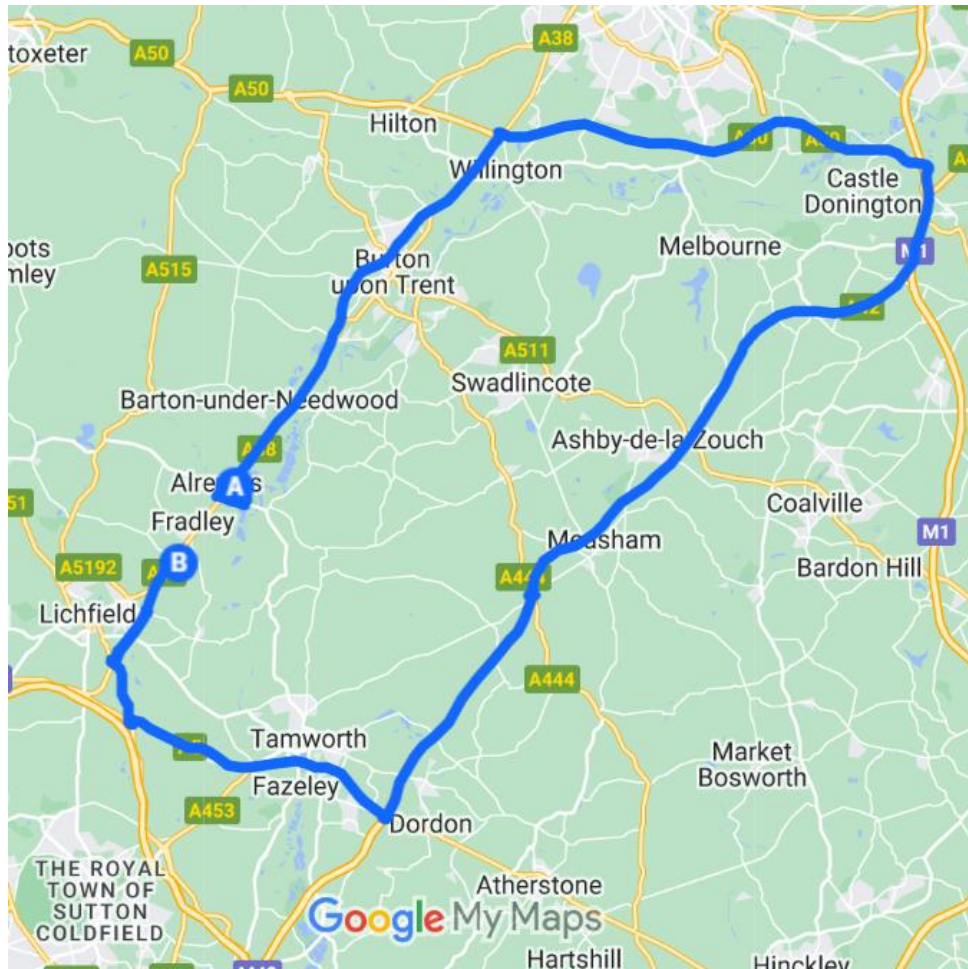

Until the end of November, between 8pm and 6am, Monday to Friday, there will be closures of several of the service roads which run adjacent to the A38 between Alrewas and Branston. Our work will include surveys and a find and fix maintenance programme of the drainage systems on these roads.

From Monday 14 November to Friday 18 November, between 9pm and 6am, there will be full nightly closures of the A38 southbound from Alrewas to Hilliards Cross for essential vegetation and drainage maintenance. Please see the below diversion.

We have a twitter feed you can follow here for roadworks notifications. For further information about our work, please contact: [info@nationalhighways.co.uk](mailto:info@nationalhighways.co.uk)

We're always looking to improve the way we work, and we would like to ask you to complete a short questionnaire to give us your feedback. If you could spare just 4 minutes (maximum) and complete the survey, click [here](#).
