Dear Mr. Gallagher,

I have been instructed by Fradley and Streethay Parish Council to write to you regarding the proposed development.

The Parish Council has recently collated the responses received from residents with regard to the development. We would be interested to know if you have now summarised the responses you have received from residents? If so, will you make this information public and when will it be available? If not, why not?

The Parish Council is also interested to know your response to this feedback and how you will address the issues raised by residents. Also, how will you communicate this feedback and are you intending on consulting with residents again?

The Parish Council looks forward to your response.

Yours sincerely

Mrs Clare Orme
Clerk/RFO to Fradley and Streethay Parish Council
