 - iii. Approve the Annual Governance Statement by resolution in advance of approving the Accounting Statement

Box 1 - Has the Council put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements. Has the Council prepared its accounting statements in accordance with the Accounts and Audit Regulations.

Box 2 - Has the Council maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness. Has the Council made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.

Box 3 - Has the Council took all reasonable steps to assure themselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of the authority to conduct its business or manage its finances. Has the Council only done what it has the legal power to do and has it complied with Proper Practices in doing so?

Box 4 - Has the Council provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations? Has the Council during the year gave all persons interested the opportunity to inspect and ask questions about the authority's accounts.

Box 5 - Has the Council carried out an assessment of the risks facing the authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required. Has the Council considered and documented the financial and other risks it faces and dealt with them properly.

Box 6 - Has the Council maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems. Has the Council arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of the smaller authority.

Box 7 - Has the Council took appropriate action on all matters raised in reports from internal and external audit. Has the Council responded to matters brought to its attention by internal and external audit.

Box 8 - Has the Council considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have had a financial impact on the authority and, where appropriate, have the Council included them in the accounting statements. Has the Council disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.

Box 9 - In our capacity as the sole managing trustee has the Council discharged its accountability responsibilities for the fund(s)/assets, including financial reporting and, if required, independent examination or audit. Has the Council met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.
